

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## WASHINGTON, D. C.

## TUBERCULOSIS—PREVENTION OF THE SPREAD OF.

SECTION 1. In all private places of residence of sufferers from tuberculosis in which adequate individual sleeping accommodations are available and in all public and private institutions where persons known to be suffering from said disease are received, permitted, cared for, or treated, no person known to be suffering from pulmonary or other communicable form of said disease shall occupy for sleeping purposes a room so occupied by another person not suffering from the same form of tuberculosis and whose presence is not necessary for the proper care and treatment of the patient.

SEC. 2. No person suffering from pulmonary or other communicable form of tuberculosis, and able to procure a bed for his or her individual use, shall occupy a bed occupied or used by another person not suffering from some communicable form of tuberculosis.

SEC. 3. Every person known to be suffering from pulmonary or laryngeal tuberculosis shall have and properly use in the dwelling or apartment occupied by him or her one or more suitable receptacles for his or her sputa, and for the cloths upon which he or she spits, and shall keep in such receptacles at all times a sufficient amount of some efficient disinfecting solution.

SEC. 4. No person known to be suffering from pulmonary or laryngeal tuberculosis shall spit upon any floor, wall, or other part of any building or premises, or upon any furniture contained therein.

SEC. 5. Any person suffering from pulmonary or laryngeal tuberculosis, and every one in attendance upon any such person, shall promptly and carefully disinfect all sputum from the patient.

SEC. 6. No person known to be suffering from pulmonary or laryngeal tuberculosis shall drink from any public drinking cup or cup used in common by any person not suffering from pulmonary or laryngeal tuberculosis.

[Regulations adopted Apr. 2, 1912.]
